

Today's Wood Preservatives Panel Creosote

Heath Huschak

Director, Global Product Safety
Koppers, Inc.

This presentation will discuss the attributes of coal tar creosote as a wood preservative. We will discuss uses where creosote is the preferred preservative for pole treatment.

About Heath

Heath Huschak has worked for Koppers for 19 years in various roles involving environmental, health and safety management at both facility and corporate locations. He is a graduate of Penn State University with a BS and MS, both relating to Environmental Science. Heath represents Koppers on a number of industry organizations, including the American Chemistry Council, Creosote Council III, Naphthalene Council, TWC, WWPI, Pavement Coatings Technology Council and AWWA. He is a Certified Safety Professional and also a member of the National Eagle Scout Association. Heath is married to my wife Jennifer and together have one daughter, Madison who graduates high school this year.
