

June 4-5
Mississippi State University
Starkville, Mississippi

CONFERENCE INFORMATION

POWERLINE 2019 will be held June 4-5 on the campus of Mississippi State University in Starkville, Miss. The two-day conference will review new developments and recognized best practices for wood pole overhead systems.

The conference will include classroom presentations and a field visit to the Mississippi State High Voltage Laboratory, the largest university operated high voltage lab in North America.

For information on the conference program and presenters, go to www.WoodPoles.org.

FEES

Conference fee is **\$195 per attendee**. Registered attendees will receive digital versions of the presentations and NAWPC technical guides. Also, registered attendees will receive a certificate of completion for 12 hours of instruction, which can be used to qualify for Continuing Education Unit (CEU) credits.
